Re: Downtown Vision Inc. budget for Fiscal Year 2021-2022

Dear Ms Boyer,

On behalf of the Board of Directors of Downtown Vision Inc. (DVI), please accept the following budget documents for Downtown Vision for the fiscal year 2021 – 2022:

(1) Budget Office Form Schedule AD AE,(2) FY21/22 Budget for DVI,

(3) Budget Comparison for FY20/21 and FY21/22 and,

(4) Historic contributions by City of Jacksonville to DVI

These budget documents were approved at our recent meeting of our board of directors on Wednesday March 24, 2021. These documents anticipate a budget reflective of the expanded district as approved by the DIA Board of Directors on March 17, 2021. For these budget documents, we now seek approval from the DIA board of directors, and if approved, to be submitted to the Mayor's Office.

As you know, commercial property owners in our Downtown business improvement district pay a 1.1 mils assessment on the taxable value of their property to DVI. These funds are used to complete our mission of helping make Downtown a better place to live, work, visit and invest.

We are thrilled that since 2017, the City of Jacksonville has contributed the full amount of their formula assessment on its properties in the district. We believe it's a very wise investment since our district leverages more than \$2.50 in private funds for every \$1.00 contributed by the City. The support of DVI will be directly beneficial to the DIA in reaching its redevelopment goals for Downtown Jacksonville laid out in your CRA and BID Plans. We hope the DIA and the City warmly receives this year's request to continue to match the same formula calculation paid by private property owners.

Thank you for all your hard work for our City. We look forward to our continued partnership to help make Downtown Jacksonville better.

Sincerely,

Jacob A. Gordon Esq., CEO, DVI
